For over 50 years, **Sing Napa Valley (SNV)** has been bringing together marvelous voices to study and perform the great works of choral music. SNV, the auditioned, intergenerational community chorus, is committed to producing vibrant events for our community, fostering the love of choral music, and supporting young people who express an interest in music. SNV is an independent, nonprofit 501(c)3 corporation depending on ticket sales and the generosity of music patrons for its support. You will find facts and our history on our website <http://singnapavalley.org/index.html> and in the enclosed performance program from last season.

We are contacting you to ask for your support by advertising in our 2016-2017 concert programs to be distributed at our major performances throughout the year.

Attached is our advertising agreement for your use. Ad prices are the same as last year; however, **if you subscribe by September 30th, we are offering you a 10% discount from the listed prices.** In addition, a representative copy of a program with ads is enclosed. Even if the ad copy is not ready, you will still be entitled to the discount **if we receive your form and check by September 30. We will need the ad copy no later than November 15th.**

Another member and I will be working directly with you. Feel free to reach out to us. Let us know how we can be helpful. For questions you may contact me by email at mhoemke7@msn.com or by phoning 707-337-8908.

Again, we will need the ad copy by the November 15th advertising deadline. Thank you for supporting yourself and Sing Napa Valley!

Sincerely,

Marie Hoemke
